

About Us

For over 17 years, SSR has supported global buyers with manufacturing and supply chain solutions from Vietnam. Leveraging the country's rich Hevea and Acacia wood resources, we develop wood surfaces and outdoor living products designed to meet the demands of international markets.

Today, SSR stands as a trusted manufacturing partner for customers across North America, Europe, Middle East and Asia. Guided by a commitment to quality, reliability, and long-term collaboration, we help businesses build stronger supply programs and achieve sustainable growth in an increasingly competitive global market.
